# MVAC RECOVER / RECYCLE OR RECOVER EQUIPMENT CERTIFICATION FORM

APR 26 2019

## INSTRUCTIONS

Air & Radiation Division

Motor vehicle refrigerant recover, recover/recycle, recover/recycle/recharge equipment must be acquired by January 1, 1992, and certified to EPA on or before January 1, 1993, under Section 609 of the Clean Air Act. Any subsequent purchases of equipment must also be certified to the EPA.

To certify your equipment, complete the following form according to the instructions. Refer to the back of this sheet, and mail the form to the appropriate EPA regional office listed under the state or territory in which the establishment is located.

- 1 Provide the name, address, and telephone number of the establishment where the equipment is located.
- 2 Provide the name brand, model number, year, and serial number(s) of the equipment acquired for use at the above establishment.
- 3 This certification statement must be signed by the person who has acquired the equipment (the person may be the owner of the establishment or another responsible officer). The person who signs is certifying they have acquired the equipment, that each individual authorized to use the equipment is correctly trained and certified, and that the information provided is true and correct.

1 ENTERPRISE HOLDINGS - NORFOLK SERVICE CENTER  
Name of Establishment  
1195 LANCE ROAD  
Street  
NORFOLK, VA 23502  
City, State, Zip Code  
513 479-3242 757 578-2221  
(Area Code) Telephone Number

2 Robinair AC1234-6  
Name of Equipment Manufacturer and Model Number  
E6A1527006680 2015  
Serial Number(s) / Year

- 3 I certify that I have acquired approved recover / recycle equipment under Section 609 of the Clean Air Act. I certify that only correctly trained and certified technicians operate the equipment, and that the information given above is true and correct.
